Organization Overview

Merit School of Music is a community music school located in Chicago's West Loop. Our primary goals are to help young people transform their lives and experience personal growth through music by providing access to sustained participation. For more than 40 years, we have been home to a diverse community of talented young musicians and have acted as a springboard for achieving full musical and personal potential. Our 125 passionate and experienced teaching artists provide access to high-quality music education, engaging over 3,000 students annually at our downtown location and in area schools and community centers.

Our students, who reflect the socioeconomic and ethnic diversity of Chicago, have the rare opportunity to learn together, dream together, teach each other, and broaden their horizons as they build inspiring lives through music. Merit develops musicians and provides young people with the tools they need to excel in life, with virtually 100 percent of our graduates going on to conservatory or college.

Merit School of Music is committed to building a world in which historically underrepresented groups can attain access to quality music education.
